Aims and Scope
The *ANZ Journal of Surgery* is published by Blackwell Publishing Asia on behalf of the Royal Australasian College of Surgeons to provide a medium for the publication of peer-reviewed original contributions related to clinical practice and/or research in all fields of surgery and related disciplines. It also provides a programme of continuing education for surgeons. All articles are peer reviewed by at least two researchers expert in the field of the submitted paper.

Publication Frequency
Twelve issues per year (issues 1 and 2 combined).

Abstracting and Indexing Services
This Journal is covered by *Academic Search (EBSCO), ADONIS, Annales de Chirurgie, APAIS (Australian Public Affairs and Information Service), Australian Medical Index, Biomedical Reference (EBSCO), CancerLIT, Current Contents/Clinical Medicine, Diseases of the Colon and Rectum, ENT News, EMBASE/Excerpta Medica, Index Medicus, Ingenta, Journals@Ovid, Medical Documentation Service, MEDLINE, OncoDisc, ProQuest, Research Alert and Science Citation Index.*

Address for Editorial Correspondence
